BROOK TAVERNER

SINCE 1912

At Brook Taverner, we pride ourselves on delivering world-leading corporate fashion that signifies quality, promotes confidence and encourages brand personality.

Taking inspiration from emerging market trends, we invest heavily in exciting new styles to ensure we always provide progressive, modern uniform options that can be as individual as the wearers.

As more brands are layering sharp lines with more casual tones, it feels especially exciting to introduce our brand-new Casuals & Separates Collection. Charismatic checks, crisp satins and a stunning, comfortable Jersey dress work well together with our tailoring Collections to create an endless amount of mix and match possibilities.

Our Shirt & Blouse Collection continues to go from strength to strength as 2021 sees the launch of our Oxfords Collection. Stretch, Royal and Classic Oxfords combine to create a versatile range of superb shirts that are as comfortable in a casual setting as they are sharp in a business environment.

Every style featured in this brochure is in stock now, and can be ordered online at brooktaverner.com

As we continue to develop more exciting additions for next year, we thank you for your continued support.

Our environmental performance means the world to us, and we're proud to work with a supply chain which shares our views and values.

All fabrics used when manufacturing our clothing have been certified according to STANDARD 100 by OEKO-TEX®. This test ensures no harmful substances are added during any steps of the textile process, from the thread to fabric production.

45 Recycled bottles per suit

We're proud to confirm certain Collections use recycled polyester in the fabric blend. This move has already seen over 2 million bottles transformed into polyester blend fabric!

All Brook Taverner Collections are machine washable - saving time, money and the planet, as machine washability means there is no need to have garments or suits dry cleaned.
